**BUDGET SPEECH BY EXECUTIVE MAYOR OF THE DR KENNETH KAUNDA DISTRICT MUNICIPALITY  
HER WORSHIP CLLR B.E.MOLOI DELIVERED DURING THE COUNCIL MEETING HELD ON 31 MAY 2012  
IN THE COUNCIL CHAMBER IN ORKNEY**

Mr Speaker  
Honourable Councillors  
Acting Municipal Manager  
Acting CFO and Other Acting Directors  
Managers and Other Officials  
Distinguished Guests  
Comrades and Friends  
Ladies and Gentlemen

Once again it gives me sincere honour and privilege to be afforded the responsibility to table and share the spending priorities of the DR Kenneth Kaunda District Municipality for the financial year 2012/2013 with you Honourable Councillors and the residents of our esteemed District.

I stand here today Honourable Speaker, on behalf of the leadership of this Council, to assume this responsibility fully confident that collectively, we have ensured that the budget allocations will propel our district municipality to the realisation of the kind of society that the ANC-led government envisages, a society that is free from hunger, unemployment and underdevelopment.

We present the second budget of the current Council during a historic year in which the country is in a year-long celebration of the 100 years since the oldest liberation movement of Africa was formed – the African National Congress.

As we have indicated previously in this Chamber, the centenary of the ANC is not just a single party milestone but a triumph of the South African people aided by the progressive international community to overcome a Colonialism of a Special Type and institutionalised racism.

Last Friday the 25<sup>th</sup> May South Africans joined the entire world in celebrating Africa Day, a day that has been observed for nearly half a century to mark the formation of the Organisation of African Unity which is the forerunner to the African Union.

Africa Day is a celebration of African Diversity and Success and highlights the cultural and economic potential that exists on the continent. It is a declaration of solidarity among the peoples of Africa and the African diaspora. As South Africans we are proud to be associated with this historic day and we will definitely continue to support this day as long as the African National Congress remains in power.

Dear Colleague, we meet here today in the middle of what has been declared Child Protection Week launched on Sunday, 27 May by President Jacob Zuma in Galeshewe, Kimberley. The campaign runs from 27 May to 3 June under the theme **"Working Together to Protect Children"**.

The campaign calls on you and I to create a safe and secure environment for children.

This year, government is using the campaign to raise awareness about the rights of children as expressed in the Children's Act of 2005. This Act outlines the principles relating to the care and protection of children. It also spells out the rights and responsibilities of parents.

As a municipality, we appreciate the fact that our government continues to play a leading role in protecting children's rights. The Department of Social Development has developed the Strategy and Guidelines for Children Living and Working on the Streets to guide all spheres of government in developing their own programmes for the management of children living and working on the streets.

Government has also set up places of safety for children called the Thuthuzela Care Centres.

The South African Police Service Child Protection Units are there to prevent and combat crimes against children, including rape, incest, assault, kidnapping, child pornography and the sexual exploitation of children.

In 2010, the President established a dedicated Ministry for Women, Children and People with Disabilities.

Still, Government recognises that it cannot by itself tackle all the problems facing children in communities. We therefore call on you to be part of the collective effort to look out for each other's children. In the words of an old African proverb, **"it takes a village to raise a child"** ebile gape rere : **"Ngwana sejo oa tlhakanelwa."**

Mr Speaker, this year not only marks the centenary of the African National Congress, but also the 18 years of democracy and freedom in our country.

In his 1999 book titled 'Development as Freedom,' the world renowned Indian economist, author and Nobel Laureate - Amartya Sen, had the following to say and I quote:

***"It is important to give simultaneous recognition to the centrality of individual freedom and to the force of social influences on the extend and reach of individual freedom."***

***To counter the problems that we face, we have to see individual freedom as a social commitment ..... Development consist of the removal of various types of un-freedoms that leave people with little choices and little opportunity of exercising their reasoned agency"***  
***Amartya Sen (1999) Development as Freedom***

The Budget we present today seeks to embody a philosophy that lies deep in the struggle for national liberation, a struggle that have ushered in the democracy and freedom that we are all enjoying today.

It is a philosophy of people motivated by the desire as Amartya Sen said and I quote to ***"remove the various types of un-freedoms that leave people with little choices and little opportunities of exercising their reasoned agency"*** and it in turn affirms people inalienable Freedoms, freedom of association, freedom of speech, freedom of expression (but certainly not the freedom to express themselves in rude, insulting and dehumanising art forms of the kind our nation has grappled with during the past two weeks) and freedom to explore our capabilities and abilities.

Honorable Speaker, The desire to ***"remove various types of un-freedoms"*** by our people was informed by the understanding that ***"freedom is the primary aim of development, and also the principal means of achieving it"***, meaning in order to emancipate themselves from the conditions of abject poverty, the people of South Africa must firstly strive for the attainment of political freedom and secondly for the attainment of economic freedom.

Hence immediately after the attainment of political freedom in 1994, the people of South Africa led by the iconic Nelson Mandela, embarked on a journey to attain economic freedom. And this was exemplified by the amount of zeal expressed in the Reconstruction and Development Program, the RDP, which was a Program that sought in the main to extricate them from the yoke of poverty and underdevelopment.

Successive administrations that followed the Mandela Administration continued on the same path towards the creation of a prosperous nation in which the socio-economic rights of the people are at the centre of government's programme.

## **SOURCES OF REVENUE**

The legislation (MFMA) requires that all offices become responsible for the collection of revenue as well as efficiency and effective utilization of those resources. The Offices of the Municipal Manager and Chief Financial Officer expect such support and reduction (elimination) of irregular or fruitless and wasteful expenditure.

The current turbulent economic conditions has put pressure on households, businesses and State budgets with regard to the relevant stakeholders. National contraction in GDP growth has shown slow and cautious spending with regard to both capital and operating expenditures, as less is achieved with more scarce resources.

The total amount of Grants and subsidies received of nearly R161.9 million represents 83.3% of the total anticipated revenue from the grant transfer against the 89,3 % of the 2011/2012 financial year. The bulk of the R161.9 million represent the RSC levy replacement grant to the amount of just more than R133,9 million and Equitable share of nearly R22.5 million of the equitable share.

Other grants allocated to the Council is the Finance Management Grant (FMG) to the amount of R1.250 million, Municipal Systems Improvement Grant (MSIG) to the tune of R1 million. The Finance Management Grant (FMG) is used to finance the salaries and training of interns.

Cash back investments that are prescribed in the MFMA for Councils funds and reserves as well as funds used for bridging operational cost are invested periodically with the recognized financial institutions to limit and reduce the risks. The repo rate of the Reserve bank is stable at 5.50% while the prime lending rate is at 9%.

The expectation is that inflation is still going to rise and will peak at about 6.7% by midyear. This will put pressure on the Reserve Bank to increase the repo rate. Bankers do not expect any drastic interest rate cuts or increases in the next financial year and the interest rate should be stable for the next year, depending on whether the inflation targets that the Reserve Bank set is not exceeded.

## OPERATIONAL BUDGET

The total operational budget amount to nearly R212.5 million compared to the nearly R181.9 of the adjustment budget for the 2011/2012 financial year. This is an increase of 16.8%. 7% of this increase is due to that Council will take over the fire services of Ventersdorp and Maquassi Hills which cost council an additional R12.7 million for the 2012/2013 financial year.

Councilors Remuneration increase to R9 million with a growth of 18% of the operating budget. A provision of a 15% increase in allowances was made as well as for sitting allowances of MPAC members. The employee related costs amount to nearly R79 million increase by 18 % basically due to the incorporation of the fire services as previously mentioned. Employees related cost representing 37.2% of the total operational costs.

The council has budgeted for an annual increase of 9% which should be adequate as an agreement has been reached between South African Local Government Association, SALGA (the employer) and the two unions, i.e. SAMWU and IMATU.

Council budget to spend nearly R75 million on Grants and subsidies to local Municipalities, rural development and local and social economic development. This spending increase with 17.9%.

Despite the difficult economic outlook, we continue to invest in infrastructure development as well as raising the service delivery standards of our people through projects.

The allocations we make in this budget will also advance the National and Provincial agenda of cushioning the poor by creating employment opportunities, investing in infrastructure and ensuring fiscal sustainability.

President Jacob Zuma again placed emphasis on job creation and poverty alleviation in his fourth State of the Nation on the 9<sup>th</sup> February 2012.

He made mention of the five major geographically-focused programmes, as well as projects focusing on health and basic education infrastructure, information and communication technologies and regional integration.

Amongst the three main infrastructural projects to be undertaken, he referred to the focus on infrastructure connected to the mining and mineral beneficiation in the North West Province.

In the President's own words:

**"The massive investment in infrastructure must leave more than just power stations, rail-lines, dams and roads.**

**It must industrialise the country, generate skills and boost much needed job creation".**

Mr Speaker, these objectives are directly relevant to municipalities.

The challenge for each municipality is to contribute meaningfully to infrastructure development in order to create jobs.

I am delighted to announce that some of the allocations we make and the intended projects contained in this budget seek to address the above mentioned priorities.

## Capital Budget

The Council contributed in this budget just more than R5.7million to the Dr Kenneth Kaunda Economic Agency in order to fund programmes whose aim is to promote economic development in the District. Of this amount, just more than R2.6 m is budgeted for the Schikenmaster meat processing project that would create job opportunities for our people in Matlosana. These allocations are in line with government's priority on creating work for the people.

Mr Speaker, the capital projects covered in this budget are a product of broad consultation with our local municipalities. The process of finalizing the Project Priority Lists entailed the following stages;

- 1.) Requesting local municipalities to submit Proposed Priority Lists to the District Municipality in January/February as according to both the IDP Framework and Process Plans by correspondence,
- 2.) Arranging the Mayoral Road Show in which the Executive Mayor of the District met with the Executive Mayors/Mayors of the local municipalities to agree on the short listed projects at IGR and Extended IGR levels (this stage depended on the submission of lists),
- 3.) Submission of the lists to Council for adoption as part of the IDP. In the event that the consultation process stretched beyond the end of the planning financial year, the alternative was to submit the lists as an Amendment to the IDP.

The shortcomings of the process were that proposed lists were;

- (a) Submitted late by local municipalities,
- (b) Were continually changed after submission, delaying the finalization and adoption process
- (c) This ultimately lead to late implementation of the projects as is the case in the last two financial years.

The IDP Coordinating Committee and Steering Committee Meetings considered the shortcomings in the planning processes and resolved to meet Municipal Managers and Administrative leadership immediately after the local municipalities have finalized their Draft Budgets and IDPs, and even earlier if possible. *The meetings, in the form of Mayoral Road Shows, were convened with Ventersdorp and Maquassi Hills Local Municipalities on 10 April 2012 (Dr Kenneth Kaunda DM Council Chambers) and Matlosana and Tlokwe City Councils on 17 April 2012 (Dr Kenneth Kaunda DM Chief Whip's Boardroom).*

The purpose was to briefly report to the local municipalities on the status of project implementation, to initiate the process of project prioritization and finalization and to commit local municipalities as early as possible in the process.

The final engagement took the form of a special extended inter-governmental relations meeting between the Mayors/Executive Mayors of the District and locals and the Municipal Managers or their delegates held on Wednesday 30 May 2012 where finality was reached on the projects to be funded by the DRKKDM through the 2012/2013 Budget.

Our Capital Budget is therefore a collective outcome emanating from an intense meeting of the minds by the local government sector in the District.

The Capital Programme amounting to R74 000 000 million constitute the most significant item in this budget and is geared directly to reducing poverty and creating the necessary infrastructure for the delivery of services to the masses of our people across the District.

Consistent with the State of the Nation emphasis on investing in infrastructure, we are putting aside the lion's share of our capital budget, that is R46,5 million for Infrastructure Development. This constitute a whopping 62,8% of the Capital Budget.

Of this amount, R19 million or 40,9% will be spent on Roads and Storm Water in Maquassi Hills, Tlokwe and Matlosana.

Matlosana and Maquassi Hills will benefit from the R2,5 million budgeted for Sanitation.

Ventersdorp will benefit from the R2,8 million set aside for Electricity and Electrification.

To address the water shortages in Ventersdorp, we have budgeted R10,2 million.

An amount of R9 million is set aside for Dolomite/Geostudy Investigations and Township Establishment in Matlosana (Khuma) and Tlokwe. This allocation will also assist the DRKKDM with more capacity in this above aspect.

For the preservation of our environment, we are allocating R3 million for waste management in Tlokwe.

The second segment of our capital budget relates to Support in Service Delivery Operations in the locals for which we allocate R12 million which represents 16,2% of the entire capital programme.

Through this support package, Maquassi Hills and Ventersdorp will benefit from payment of their ESKOM Electricity Accounts to the tune of R5,5 million all-inclusive.

Maquassi Hills will receive a further R2,5 million for the payment of their water account. R4 million will be spend on the purchase of Fleet to aid service delivery in Maquassi Hills and Ventersdorp.

The third slice of our Capital Budget goes to the clustered area of Community Services/Disaster/Public Safety which receives an allocation of R8 million constituting 10.8% of our Capital Programme.

Of this vote, R3 million will be spend on the construction of community halls in Maquassi and Tlokwe.

Tlokwe will also receive R3,5% for Fire Fighting Infrastructure and Equipment.

Matlosana receives R1,5 million for Environmental Education and Awareness.

Honourable Speaker, as we are all aware, the creation of jobs ranks among the top priorities of our government.

As such, the third slice of our Capital Budget is for Direct Job Creation Projects, for which we are putting aside R5 million for Extended Public Works Programme (EPWP) in Ventersdorp and Matlosana.

The fourth and last segment of our Capital Budget is dedicated to the important aspect of Local Economic Development (LED) for which we allocate R2,5 million for Maquassi and Tlokwe.

In addition to distributed R74 million for capital projects, there is R6,420,000 under the Mayoral Fund for EPWP to be used for District Cleaning Project. This will also result in a further creation of jobs for our people.

Honourable Members, consistent with our mandate to strengthen and support municipalities with lower capacity and advance rural development, I am sure you can see that our capital budget is skewed towards the Maquassi Hills and Ventersdorp Local Municipalities without necessarily overlooking the two cities of Tlokwe and Matlosana who also benefit handsomely.

**Honourable Speaker, our focus on Rural Development is taking further shape in this Budget. We are making generous allocations to improve the living conditions of our people in the rural parts of our District, create the necessary physical infrastructure for service delivery to happen.**

**By creating better conditions and taking services to our rural masses, we will ease the propensity of many of our people in those areas rushing to the cities in search of a better life. Baagi ba rona kwa ditlong-magae lebona ban a le tshwanelo ya go ungwelwa gotswa mo ditlhabololong tse di tliwang ke puso eo bae tlhopileng.**

## **CONCLUSION**

Mr Speaker, let me conclude by expressing my unflinching confidence in this Council to pull and press together towards realising our vision of turning ours into a District of Prosperity in which all benefit from the opportunities necessary for them and future generations to enjoy the fruits of political freedom and a sustained economic growth.

Our coming together following the local government elections of 18 May 2011 was indeed a memorable beginning. Keeping together will help us to progress; and working together will guarantee us success. We must hold steadfast in our partnership to deliver a better life to all our residents. As a well-known Setswana proverb says:

**"Mogala wa kgomo tshwara thata esere go utlwa sebedu wa kgaoga."**

Reflecting on where we began is always important in understanding where we are today and in approaching the future which is our common destiny.

The greatest statesman and South Africa's moral and political leader Nelson Rolihlahla Mandela remarked during his inauguration as the first president of an all-inclusive democratic South Africa that, and I quote:

***"The task at hand will not be easy. But you have mandated us to change South Africa from a country in which the majority lived with little hope, to one in which they can live and work with dignity, with a sense of self-esteem and confidence in the future."***

Indeed transforming South Africa into a truly non-racial, non-sexist and democratic country remained the revolutionary task of all the four successive governments elected since 1994.

As a democratic government, we had a responsibility to respond to a question posed more than five decades ago by another late stalwart of the people's struggle for liberation who would have turned 100 years old some two weeks ago on the 18<sup>th</sup> May 2012, Ntate Walter Sisulu, and I quote:

***"But what of our own people? What of the tasks that lie before us who have to turn the decision into living reality?"***

There can be no doubt that those of us who have the privilege to serve as public representatives are challenged to continuously report to the people and say, this is what we have done individually and collectively to transform your aspirations for a better life into reality.

This is what we must do together to keep the hopes of our people in the Dr Kenneth Kaunda District alive. And as Tata Sisulu would have put it, turn the decision into living reality.

Mr Speaker and Honourable Councillors, I now place before you the 2012/2013 Budget for consideration and approval.

Due to unforeseen circumstances, we are unable to present the 2012-2013 IDP for approval in today's meeting. This will be done in a special meeting which will follow soon.

As we consider these spending priorities for the coming financial year, I seek the support of all of you in our forward march to the realization of a prosperous future for our District.

I thank you!!  
Kea leboga!!  
Baie dankie!!!

**DR KENNETH KAUNDA DISTRICT MUNICIPALITY  
ANNUAL BUDGET 2012/2013  
EXECUTIVE SUMMARY**

The annual budget for 2012/2013 budget year is to give effect to Dr Kenneth Kaunda District Municipality's service delivery priorities and objectives, thereby fulfilling the needs as depicted in the Integrated Development Plan.

The 2012/2013 budget for Infrastructure Development is linked to the Integrated Development Plan of Dr Kenneth Kaunda District municipality as consolidated with those of the local municipalities with the Dr Kenneth Kaunda District municipality.

The Service Delivery and Budget Implementation Plan as the primary monitoring tool for budget implementation and monitoring by the municipal manager and senior managers give effect to those Projects of the Integrated Development Plan which have been identified by the communities of Maquassi Hills, Tlokwe, Matlosana and Ventersdorp and approved by the municipal councils of those municipalities as their needs priorities for the current annual budget of 2012/2013.

As the municipalities have scarce resources(funding) only the most important projects in the Integrated Development Plan have been identified and prioritised over others as it is highly unlikely that everything in the Integrated Development Plan can be accommodated in a single year annual budget.

The current budget of 2012/2013 allocates the funding from the budget to the following grants and subsidies infrastructure capital projects to local municipalities for roads and stormwater R 21 550 000-00 , water management R 25 061 000-00 , waste management R 2 100 000-00 ,electricity R 7 500 000-00 , community and social services R 56 250 000,00 and Economic Development R13 653 824.

The above capital budget allocations are in line with National, Provincial local guiding priorities of protecting the poor, creating employment, investing in infrastructure and ensuring fiscal stability.

The allocation on community and social services is to address and create employment through community projects.

The allocation on water management is to further address full access to basic water services and the fulfillment of National government priority of all citizens to have access to basic water services by the year 2014.

The allocation on electricity is to give rural communities access to electricity services and also addressing rural development strategic goals for addressing service delivery backlogs in most rural areas.

**DR KENNETH KAUNDA DISTRICT MUNICIPALITY  
ANNUAL BUDGET 2012/2013  
EXECUTIVE SUMMARY**

The allocation on grants and subsidies operating as depicted in the summary totals is made up of District Economic Development, Office of the Executive Mayor, Office of the Speaker and Disaster Management Department, the allocation which totals to R 74 664 180-00 for the current budget year 2012/2013 executive summary.

Operating grants and subsidies for District Economic Development and Tourism are for the SMME's and cooperatives development awareness and the need to invest in sustainable social and economic development.

It is against this background that financial and technical support to Small Medium and Micro Enterprises and Cooperatives is an integral part of the Dr Kenneth Kaunda District Municipality's Local Economic Development strategy. The District is therefore supporting community based initiatives through conditional grants for viable business plans.

This will support a meaningful District Economic Development initiatives that foster micro and small business opportunities and job creation.

The objectives of DED the grants funding is to bring in new category of entrepreneurs presently constrained by limited access to funding, to broaden access through new funding, flexible instruments and leverage with selected partners thus providing the tools with which to share in the growing South African economy, to introduce flexibility in services delivery and accommodate the special circumstances of women owned and run enterprises both as regards funding range and type of facility offered.
